

SPARTECH → SOUTH

BSC Filters

Coaxial and waveguide filters and multiplexers

www.bscfilters.com

Criteria Labs

Space qualification up-screening services, RF design, assembly and test. Tape and reel packaging

www.criterialabs.com

Dow Key Microwave

Electromechanical microwave switches; RF switching systems

www.dowkey.com

K&L Microwave

RF/microwave filters and diplexers

www.klmicrowave.com

PoleZero

Digitally tuned hopping filters

www.polezero.com

Quantic X-Microwave

X-Microwave

Microwave components designed by a "Modular Building Block System"

www.quantixmw.com

Quantic M-Wave

M-Wave Design

Ferrite based RFMW components

www.quanticismwave.com

www.Ironwavetech.com

American Microwave

Solid state control devices DC-40Ghz

Mu-Del Electronics

Transceivers, transmitters, receivers, up/down converters

Luff Research

Frequency synthesizers and phase locked oscillators

Aethercomm

High power amplifier modules, sub-systems, and systems

www.aethercomm.com

Corning Gilbert

Blindmate coax connectors - GPO, GPPO, G3PO, G4PO, GMS, SGMS

www.corning.com/gilbert

Marki Microwave

High performance mixers, couplers, baluns, power dividers, and hybrids

www.markimicrowave.com

Southwest Microwave

RF/microwave and millimeter coaxial connectors and adapters

www.southwestmicrowave.com

Teledyne Storm Microwave

Flexible & semi-rigid coaxial cables

www.teledynestorm.com

GreenSource Fabrication

Complex PCB fab for digital, microwave and analog electronics

www.greensourcefab.com
